

## Speakers for Schools South East

### What's On?

#### National Teen Book Club

Our first book club of the year has got off to an exciting start and will be running until the 19th of October. If you missed this one, there's always time to get involved in one later in the year. Each book club runs for four weeks and the next one will run from the 9th November- 30th November.

Any school/college staff member - a librarian perhaps - can sign up a group of students and support them for 1-hour a week. [FIND OUT MORE & SIGN UP HERE.](#)

#### Upcoming Inspiration Broadcasts

Our Inspiration Programme has a fantastic line up of speakers throughout the year.

#### School Visits

It's been great to meet so many of you already, and we're exciting about the careers fairs we already have in our calendar. If you would like us to come along to your careers fair events, meet your classes or deliver a short assembly on our work experience programmes - please get in touch!

#### ECO-CLUB SESSIONS WITH KEPAK

Kepak are running their first ever Eco Club, offering various after-school sessions throughout the academic year for students to develop green skills, hear from industry experts, and meet other students who care about the environment.
