

19th January 2023

Dear Parents and Carers,

Spring Term Enrichment Timetable

I am writing to you today to share our current enrichment timetable for this term.

At Warlingham School & Sixth Form College, we are committed to our students' personal development, and seek to create a thriving enrichment experience, which offers a wide range of extra-curricular clubs and extended learning opportunities.

We strongly encourage all students to participate in enrichment activities to discover and develop talents and interests which extend their learning beyond the classroom. All students can benefit greatly from wider school participation, as they can often boost students' self-confidence, enable them to connect with others, develop leadership skills, in-still self-motivation and would also be a great addition to their college and work experience applications. There is a wide variety of options to choose from, so we hope that your child can find something of interest. Please discuss the importance of enrichment with your child and encourage them to participate and try something new.

Yours sincerely

Miss M Johnson

Enrichment and DofE Coordinator
