

Dear Parents/Carers

As you are aware, due to the outbreak of Coronavirus (COVID-19), Warlingham School and Sixth Form College has, alongside all other educational providers, been directed to close to the majority of students from 19th March 20.

We have already written to inform you about the arrangements to continue the education and learning of our students during the period of this closure. Our teams of staff will continue to provide work throughout this time.

In order to support you further during this difficult time, we have created a tab on the website called "School Closure" which contains many key links to a range of information that will assist you further.

We appreciate that this is a challenging time for everyone in our communities and society, and we know that our children and young people will be incredibly anxious. To help support our young people during these extremely difficult times, we have set up an online system called "Zumos". Below outlines some of the main features of this package. Please encourage your child to log on to the site and set up their account.

- Online support service
- Send anonymous messages to school if you need support with anything worrying you
- Develop confidence, resilience and wellbeing
- Mental health support and advice
- Games and Quiz's
- Inspiring videos and recourses
-

To setup your account:

1. Log on to: **ZUMOS.co.uk**
2. Click **Login**
3. Click **New User?**
4. Enter the Student code – **STUSEC3900CR6**

Please be aware that we are still awaiting further clarification from Ofqual in relation to a resolution and next steps in regards to public examinations. We will continue to keep parents informed and updated as and when we receive clearer guidance surrounding what happens next.

We shall do everything we can to support our students and parents over the coming months until we are able to return to regular education. Thank you for your support.

Yours sincerely

Mr Kinder

Mr Day

Joint Heads of School
