

Key Assessment Point schedule for the 2021/22 Academic year

Dear Parents & Carers

It has been a fantastic return to school this September. Students have settled in well and are making progress on their courses. Students in all years at Warlingham will experience Key Assessment Points (KAPS). These assessments not only give students a chance to show the teachers and of course you, how well they are progressing but more importantly, they also gain the experience of how to prepare for external assessments using our Target the TOP (Testing, Organise, Practice) revision system. In addition, teachers gain a deeper insight into students' strengths and weaknesses, to further support the planning of their lessons.

This week sees Year 8 and Year 13 commence this process with their first KAPs beginning on Thursday 14th October 2022.
