

13th October 2023

Dear Parents/Guardians of Year 7 Students,

Re: Set Changes in English and Maths After Half Term

We hope this letter finds you and your child well. We would like to take this opportunity to update you on some important changes that will be implemented after the upcoming half-term break.

As part of our ongoing commitment to providing the best possible education for your child, we will be reorganising our Year 7 classes in English and Maths. These changes will be based on a combination of Key Stage 2 SATs results and your child's current progress in lessons during this half term.

Our primary goal is to ensure that each student receives tailored support and challenges according to their individual learning needs. These set changes will help us achieve this goal more effectively by grouping students with similar academic strengths and areas for improvement. This allows our teachers to provide more targeted instruction, fostering academic growth and personal development.

The set changes will be made carefully, with consideration of multiple factors, including teacher recommendations, in-class performance, and assessment results. We firmly believe that these adjustments will promote a positive and productive learning environment for all students, helping them to thrive academically and reach their full potential.

The changes will take effect starting from Monday 30th October after the half-term break. Please be assured that we have taken great care in ensuring that the changes are made with the best interests of your child in mind, and we believe that this will lead to a more rewarding educational experience for them.

We understand that you may have questions or concerns regarding these set changes. If you wish to discuss these adjustments further, please do not hesitate to contact us. We are always here to support you and your child in their educational journey.

We value your trust and partnership in your child's education and are confident that these set changes will contribute to their growth and development. We look forward to working closely with you to ensure a successful transition.

Thank you for your continued support.

Yours sincerely

Mark Tucker
