

4th September 2023

Dear Parents & Carers

After a wonderful day with our new Year 7 students today, we are looking forward to welcoming back all students to Warlingham School & Sixth Form College, tomorrow 5th September at 8.35am.

Students will need to report to their base tutor room at the start of the day. After registration, all students will attend a house assembly in the main hall.

As we are sure you are aware, the weather this week is going to be very warm and for this reason we would like to inform you that we will not require students to wear a jumper or blazer for this week only. However, students will still be required to wear their house tie. With the predicted temperatures looking to drop after the weekend, all students will be required to be in full uniform from Monday 11th September.

We would also ask that students ensure they bring a water bottle to school, which can easily be refilled to ensure they remain hydrated throughout the day.

As we begin a new academic year, we look forward collaborating with parents to support all students in their journey through the school, encouraging them to embrace the wonderful opportunities and extra-curricular activities available, take on new challenges, achieve goals at school and beyond and be happy and successful.

Kind regards
