

Dear Parents & Carers

**Early Closure due to weather conditions**

Despite our best efforts to ensure the whole school site is safe and suitable for students learning, we will be closing today at 1.30pm. Whilst much of the school grounds have been cleared, we are not satisfied that we can provide a suitably safe environment during unstructured time, such as lunch break.

Students who are unable to return home at this point will be able to remain in school and work in the LRC. Lunch will be available for collection before departure for those students that require a school lunch.

Detentions that had been set for this afternoon will be rescheduled for later in the week.

We will update with plans regarding opening tomorrow, via the school website and email.

Please be aware that the year 13 assessments will continue as planned, and that the sixth form block will remain open for sixth form students that need to remain on site until the end of the day.

Kind regards

Mr P Foster

Headteacher
