**Year 11 Student Intervention Evening**

Dear Parents & Carers

We are pleased to announce details of next week's Year 11 Intervention Evening on Tuesday 28<sup>th</sup> March.

Having reviewed your child's recent mock exam results and spoken with the Heads of Department, we would like you and your child to attend a session at the school at 6pm.

This will begin with a short presentation from the Senior Leadership Team, with regard to how you can support your child in developing their independent learning, so that it delivers 'impact for their effort'.

This will then be followed by an opportunity to talk to selected Heads of Department, who will be able to provide further guidance, support and resources to support your child.

This event has received very positive feedback from parents and carers that have attended in recent years. Further to this, there has been a considerable improvement in the outcomes for students that have attended and responded to the advice, guidance and support provided when compared to those that did not attend.

We look forward to seeing you next **Tuesday 28<sup>th</sup> March at 6pm.**

Kind regards

Mr P Seward

Deputy Headteacher
