

31st January 2023

Dear Parents & Carers

Strike Action – Wednesday 1st February 2022

Further to my letter dated 27th January 2023, I am writing to confirm the arrangements for your child tomorrow.

Year 11 Students

We would like to confirm that the school will be open tomorrow 1st February, for Year 11 students. **School will start at the slightly later time of 9am** and **students should come to the main hall to register** and to attend assembly. Students will then be based across the school in groups for supervised study periods, with the emphasis on study skills and independent learning, in preparation for mock exams taking place next week and in the coming months. It would be beneficial if students could bring a set of headphones with them to aid their learning (enable them to listen to commentary/audio on computers).

While we understand that arrangements for tomorrow do not mirror a normal school day, we wanted to provide an opportunity to support the development of independent learning, kick start planning, and revision upon which they can build in the coming weeks and months.

Please note we will return to normal timings upon our return on Thursday (8.35am).

Yours sincerely

Mr P Foster

Headteacher
